

**BDLBA Division A1 Grand Final  
Queenscliff v Ocean Grove  
Tuesday, March 24, 2009**

Our valiant Queenscliff Ladies took to the Drysdale Green to play Ocean Grove 1. It was to be a tough game, as they had met their match with them in the past.

After 21 Ends, the task was before the girls, as Ocean Grove had streaked away to a 23-16 lead. At Lunch time, this was expanded to 14 shots behind.

Following the lunch adjournment, this break was maintained by Ocean Grove, to lead by 16 after 51 and 57 ends. Then our ladies started to claw their way back!

At 69 ends, the margin had shrunk to only 9 shots behind. A quick 7 and 4 shots on two rinks, and Queenscliff were ahead by 1 shot, with two ends to play. Exciting stuff, well done ladies!

In the last two ends, it wasn't to be, however, as our girls dropped a single shot on one end, and two shots on the other, to make the final score a very good contest, at 69-71, 2 shots down.

A great effort by all players, in making the final, thanks to the high level of contest. As was said with the men, just need 1 more shot for us, and we can win it next year!

Well played everyone, it was a high standard game, and played in good sportsmanship.

Better luck next year!! Go Couta's Go!!
