

New Member Joins Club

We welcome one of the youngest members to the Club, 2 year old Charlee, with Mum Charlene and Nanna Esther (pictured).

We hope Charlee will have many happy years of fun and good times – stay out of the pokies until you are of age, and no sipping Nanna's drinks!.

During Cards today, we had a few tables playing off for today's winnings – along with a couple of men (well done David & Colin). Our Lady President (Bowls) was having fun with members – afternoon tea a delight, as normal!

We hope to see a few more along in coming weeks, it is a bit of light-hearted fun – Come one Come all!

Go Couts on the Greens and Courts – lets get those early rounds in place!
