

PENINSULAR SEAROAD TRANSPORT

There is something special about the famous ferry,
That runs between Queenscliff and Sorrento shores.
It is a nice relaxing trip, either way or return journey,
Instead of spending all day in traffic snarls.

The ferry operates daily every hour,
Crossing over the bay taking vehicles and passengers each time.
Reaching its destination quickly,
Allowing passengers and vehicles to arrive safely and on time.

It is a much more relaxing way,
To cross the bay, that is for sure.
Than going around the long way taking hours,
This keeps people coming back for more.

En route you may see dolphins frolicking,
Or seals, splashing, swimming, giving you a story.
As you quickly cross from one side to the other.
It is a highlight of some visits to Victoria.

When you need to travel across to Sorrento,
Or back to Queenscliff shores,
Be sure to go by the ferry,
To be more relaxed at your destination as it arrives.
