

Queenscliff – the Premier Club

With the close of the Bowls season Queenscliff has demonstrated it is the Premier Club for 2009-2010 in the Bellarine Area.

Our Men's Premier League side took out the Geelong – Ballarat Premier League Premiership, and then a week later, our Ladies took out the BDLBA A1 Premiership – both in the same season!

For our Men's sides, the second side had a successful season, reaching the finals in Division 2, our third side survived in Division 4, and our fourth side is going ok in Division 7.

All of our Ladies sides finished in the top 4, playing off in finals.

These results show the dedication and skill of our players, selectors and management, to develop the Club, through recruitment and support, and provide first class facilities to play at and enjoy throughout the year.

Congratulations, Cousta's, especially the Premiership sides... we look forward to continued success in coming season!
