

QUEENSCLIFF MEATS

The word is getting around,
About the change in Hesse Street.
At our favourite Butchers,
Of the owner of Queenscliff Meats.

Alan will greet you with a smile and a grin,
As you enter the shop for your meat and deli.
Don't be surprised if Mandy is there also,
To help serve and assist in your purchase for the belly!

A friendly group to be sure,
Are the gang at Queenscliff Meats.
Selling top grade meat, food and deli specialities,
At mates rates to keep you coming back for more!

Have you tried the home made kabana?
Now available in beef or chicken.
I love the great taste of it,
It sure is good – "finger licking"

Have you heard the News?
Alan's Snags are 3rd best in Vic!!
Also the Kabana is 4th best – good to choose.
Go to Queenscliff Meats – it gets the tick!

So the next time you are planning your meals,
Or have hunger pangs from working away.
Make a trip to Queenscliff Meats in the centre of town,
Your family will keep thanking you for keeping hunger at bay.
With such a range and the food is so good,
It is here to stay.
